

Hello Beloved Families,

Mission Hills Church and Family Ministry is committed to continue to bear witness to the gospel, especially during these strange times.

We encourage you to use this space and slowing to draw close to one another in truth and love.

To help our families do that, Family Ministry will be posting a ***“Children’s Worship Guide”*** every Friday to the Mission Hills Church website.

This will be a more devotional and intentional time in the word of God with your children.

We will offer some reflective questions for different age groups so that hopefully, this time of worship can be done as a whole family.

We will also give an activity suggestion and game that families can engage in together.

As you spend time in the word of God together and root yourself in truth, we’d love to see and hear about this.

With your permission we would like to share pictures and stories of MHC families growing in the love of God.

As we respect social distancing, we feel seeing other families in the church could help us all feel connected.

If you would like to share a sweet story of how you are seeing God move during this time or if you would like to share a picture of your family engaging in the Children’s worship guide, you can email me at alalkin@missionhillschurch.org

From our home, to yours,
Grace, hope and peace to you all dear ones.
We love you.

Dwelling in grace,
Ashley Lalkin
